

Why choose the Companion?

It's Easy to Drive

The Delta tiller and faceplate controls are intuitive and comfortable to drive. The EZ Reach tiller adjustment lever allows you to find the most comfortable tiller position.

Co-pilot Equipped

See a flashing green light? No problem! Our convenient under-carpet troubleshooting guide will assist you through a passing storm.

Enjoy First Class Comfort Adjustments

It doesn't get any better than this. With the plush seat, arm rests and EZ Reach tiller adjustment capabilities, you'll enjoy the most leg room and convenience as you ride or exit the scooter.

Luxury Lighting Package

To make night time travel a breeze, we've added a new, adjustable LED headlight and ultra bright tail lights for your complete safety.

Advanced Comfort Seating

LiquiCell® is an ultra-thin, liquid-filled pad designed to prevent pressure sores and enhance seat comfort.
